Some updates from Juba

**2 schools connected through faith
and love**

Love to learn, learn to love

Harvest in Juba

Fresh water

The Ground Nut Harvest

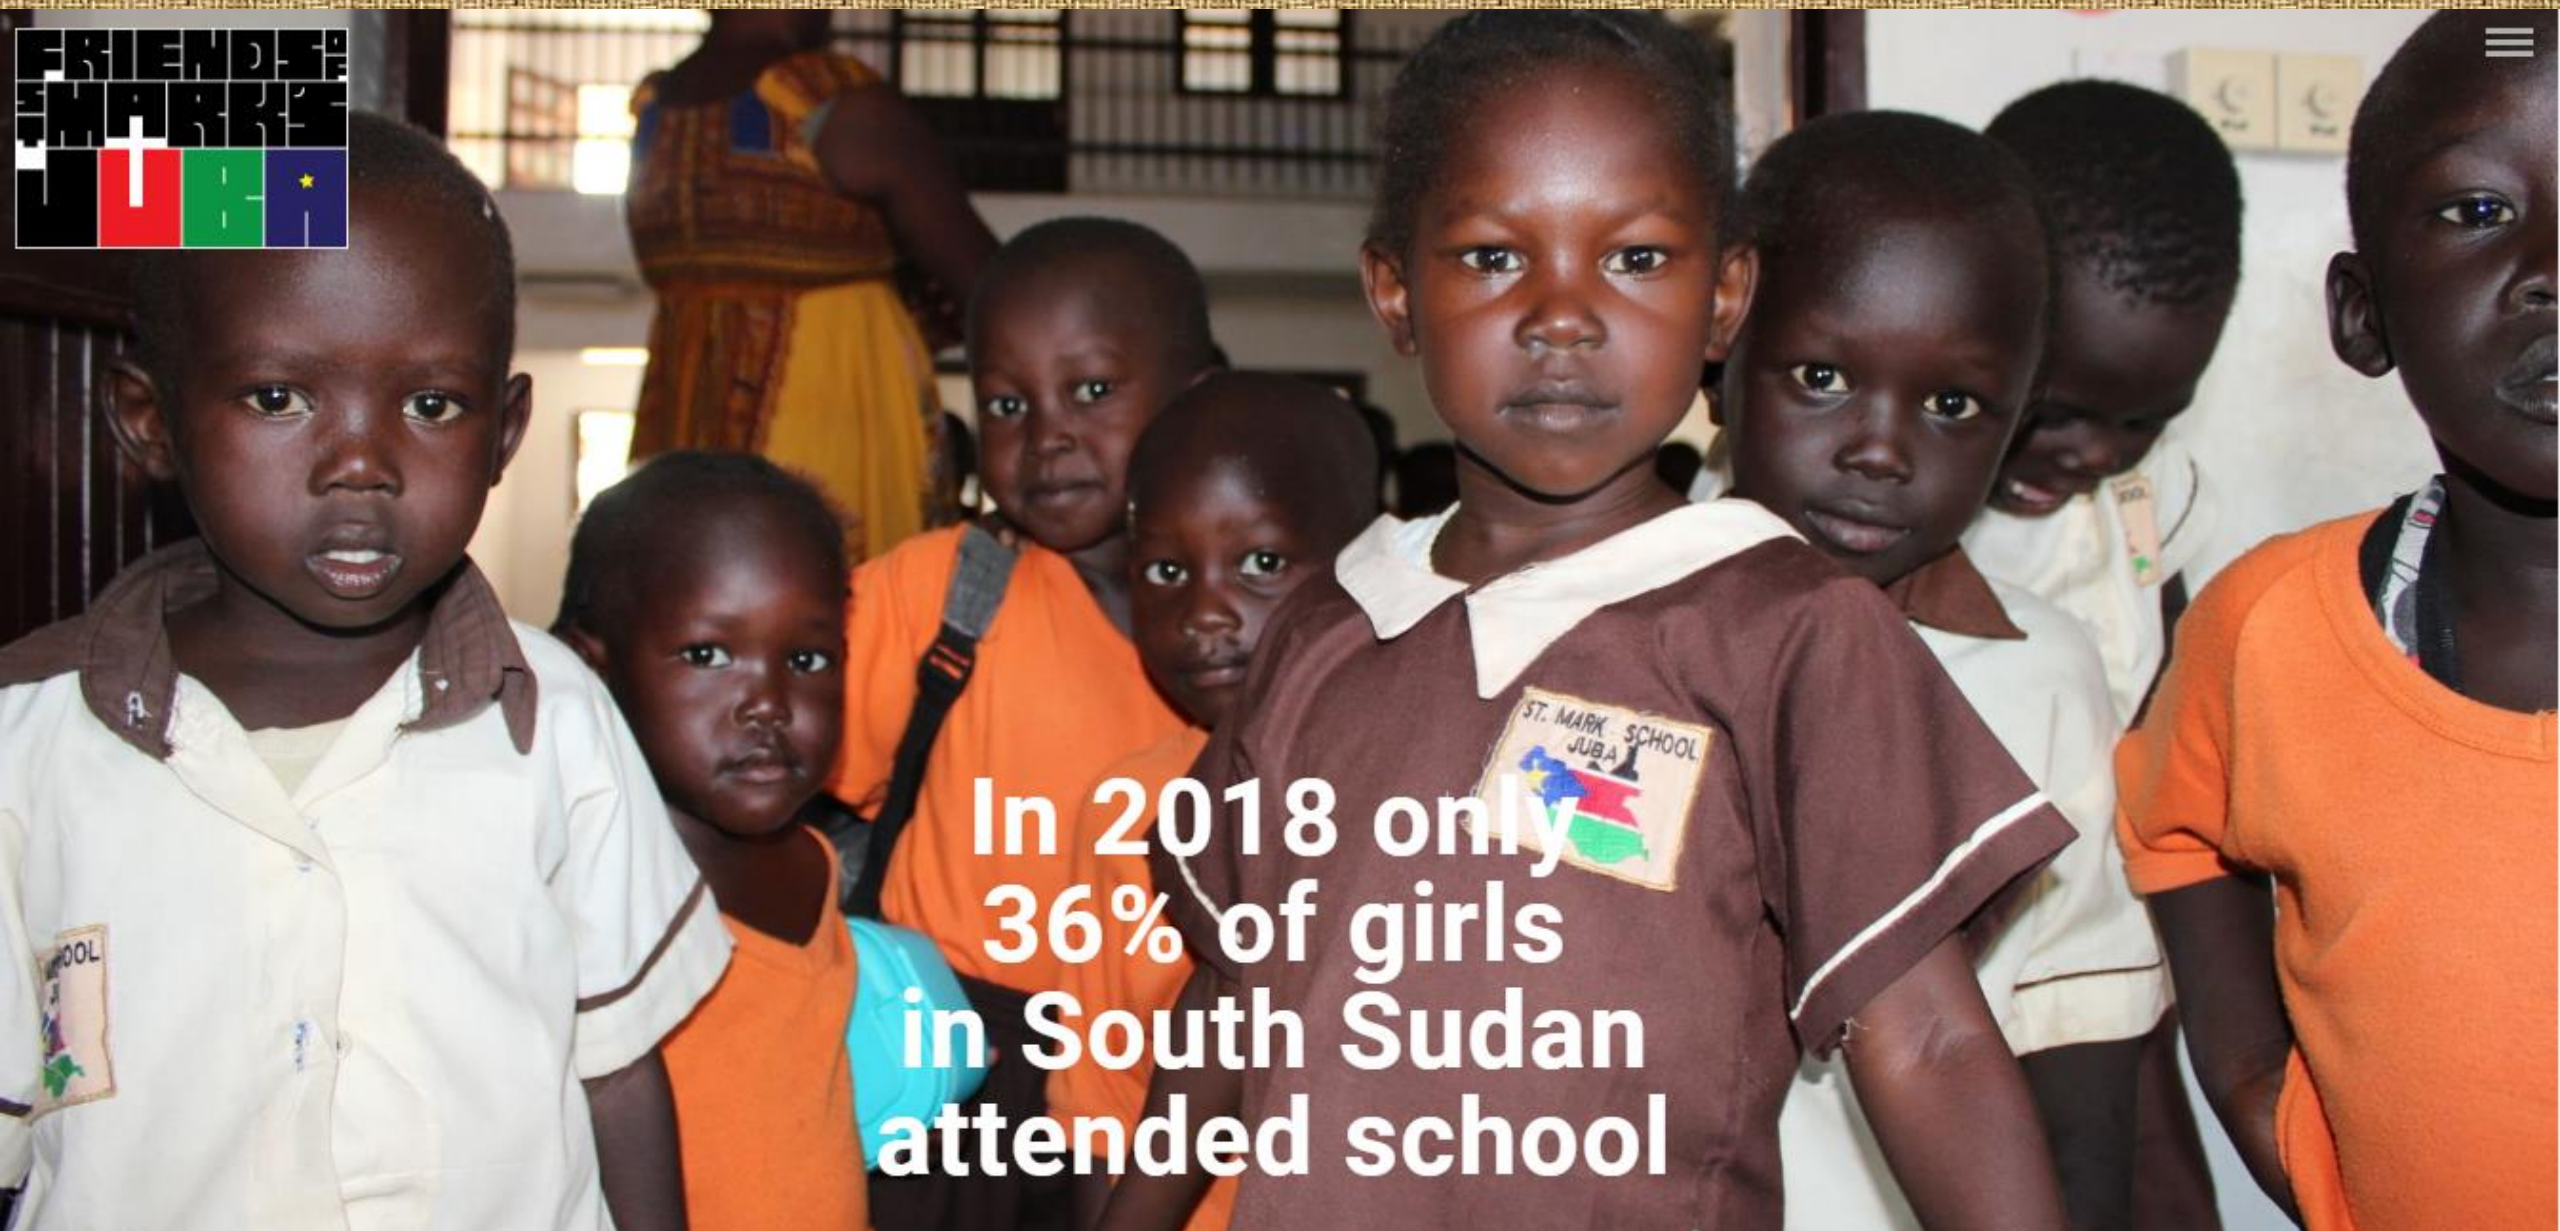

The harvest is safely gathered in.

**How we can
help**

**£30 will help
fund a child in
school for a
year.**

**In 2018 only
36% of girls
in South Sudan
attended school**

We are trying to raise money to help sponsor a child in Juba.

It costs £30 to support a child for a year in school in Juba, South Sudan. We are trying to raise money to sponsor a child by children donating 50p. When they donate 50p, they can stick a sticker on a child on our display to show the part they have played.

The donations will be given through the charity 'Friends of St Mark's Juba'. This is the school that Eynesbury C of E is already connected to.

Friends of St Mark's Juba

The stickers and collection box will be kept in the school office. If you can, help us to support this most worthwhile cause.

Thank you so much for your generosity.
